

SEASONAL SLIP
WAITLIST APPLICATION

A deposit of \$200 must accompany a request to be placed on the waiting list. Being placed on the waiting list does not guarantee assignment of a slip. There are two waiting lists – one for Village property owners and one for non-property owners. Owners of property in the Village will be offered any available seasonal slips before non-property owners.

When and if you become eligible for a seasonal slip you will be notified by the Village. If you decline a seasonal slip which is a reasonable fit for your boat as determined by the Marina Manager your name will remain on the waiting list, but go to the bottom of that list. If you are offered a slip, in which your boat will not reasonably fit as determined by the Marina Manager your name will remain in its current location on the waiting list.
